Box Office Best Returns:

Predicting Movie Success at the Box Office Barrie Gunter, 2018-02-20 This book explores the different factors that can influence a new movie's prospects at the box office. Looking at factors such as the production budget, distribution model, genre, stars, and audience reactions of films, Gunter asks how such aspects may reduce the uncertainties of success so common in the movie industry. The reader is taken on a journey through filmmaking factors that research suggests impact box office performance. While box office revenues represent only part of a movie's earning potential, Gunter highlights how theatrical performances remain central to what the movie business is about. The chapters illustrate how ticket sales are largely influenced by the production budget but also cultural differences and new movie platforms. *Hollywood and the Box Office* John Izod, 1988-07-20 Changing business circumstances have put pressure on film studios and changed the nature of films they produce. This book examines the reaction of the corporations who have found themselves in danger or have perceived new ways of adding to their profitability, influencing the films they produce. Guinness World Records 2015 Guinness World Records, 2014-09-16 With a fresh new design and feel inspired by innovations in tablet technology, the latest GUINNESS WORLD RECORDS book presents thousands of new and updated records along with hundreds of amazing never before seen photographs. The 2015 edition showcases the very best of the most recent world records with new subjects as diverse as castles, 3D printing, the search for alien life, and the latest developments in AI and robotics. Plus the Flashback features offer a look back at the archives to bring you the best of the classic and iconic records from the past 60 years. Meanwhile the Gallery spreads present the best GUINNESS WORLD RECORDS photography across themed topics such as giant musical instruments, wacky vehicles, and animals in action. And look out for details of how readers can become record breakers themselves. **James Bond Will Return** Claire Hines, Terence McSweeney, Stuart Joy, 2024-01-09 For over six decades, James Bond has been a fixture of global culture, universally recognizable by the films' combination of action, sex, political intrigue, and outrageous gadgetry. But as the British Empire entered the final stages of collapse, as the Cold War wound down, and the War on Terror began, and as the visions of masculinity and femininity the series presented began to strike many viewers as outdated, the Bond formula has adapted to the changing times. Spanning the franchise's entire history from Sean Connery's iconic swagger to Daniel Craig's rougher, more visceral interpretation of the superspy, *James Bond Will Return* offers both academic readers and fans a comprehensive view of the series's transformations against the backdrop of real-world geopolitical intrigue and sweeping social changes. Leading scholars consider each of the twenty-five films in the series, showing how and why Bond has changed and what elements of the formula have stood the test of time. Each chapter examines a single film from a distinct position, giving readers a full picture of the variety and breadth of the longest running series in cinema history. Close formal readings, production histories, tracings of the political, social, and historical influences, analyses of the series' use of then-new filmmaking technologies, reflections on the star personas that have

been built around the character these and many more approaches combine to produce a wide ranging view of the James Bond film franchise Essential reading for Bond scholars and aficionados alike James Bond Will Return brings out the many surprising complexities of an iconic character **Box Office** ,1958 **The Film Daily Twentieth Anniversary Edition** ,1938 **Judgments in Vacation** Sir Edward Abbott Parry,1911 Drama ,1925 **Joint Transactions of the Chartered Accountants Students' Societies** Union of Chartered Accountant Student Societies,1911 **Transactions of the Society of Motion Picture Engineers** Society of Motion Picture and Television Engineers,1919 **Supreme Court , Exhibitors Daily Review** ,1926 Motion Picture Herald ,1925 The Drama ,1924 Booksellers, Stationers and Fancy Goods Journal of Australia and New Zealand ,1930 **The Boy Scouts' Year Book** ,1925 *The Book of Baseball* William Patten,Joseph Walker McSpadden,1911 *Epoch* ,1889 The Free-lance Writer's Handbook William Dorsey Kennedy,Margaret Gordon,1926 The Bystander ,1908
