*Hijacking America* Joe McHugh, 2022-08-01 *Hijacking America Liberty Strikes Back* is the true story of a Marine Corps Officer fighting for freedom from the unconstitutional actions of his own government. The government wrongly suspected that Joe McHugh had stolen information related to 9/11, being an inside job, and they were going to prevent the truth from coming to light by any means necessary. In the seven years that followed his separation from the Marine Corps, McHugh learned the tricks of surveillance and entrapment from those keeping tabs on him, the unsettling truth of democracy in America, that our rights are a lie under the secret FISA court system and the USA PATRIOT Act, and how to restore liberty in America by ending the Fed and going green instead with a credit union. McHugh takes you from the plane strikes on September 11 through his service as a Marine and survival effort following through the peak of obstruction and entrapment in Puerto Rico. If you're interested in liberty, America, our Constitution, the means by which our unconstitutional government maintains the surveillance state, and how to reverse it, then this is the book for you. Let every nation know whether it wishes us well or ill, that we shall pay any price, bear any burden, meet any hardship, support any friend, oppose any foe, in order to assure the survival and the success of liberty. John F. Kennedy
