## Romantasy S This Week:

Fantasy from A to Z Joe Vasicek, 101-01-01 From Tolkien to today why fantasy still matters Fantasy isn't just about dragons, quests and magic; it's about wonder, meaning and the longing for a world that feels more real than our own. In Fantasy from A to Z author Joe Vasicek takes readers on a journey through twenty-six essays that explore the heart of the fantasy genre: what makes it timeless, what gives it power and why it continues to speak to us in a world that has forgotten how to dream. From archetypes and epic battles to kings, magic and the coming rise of nobility, Vasicek traces fantasy's roots back to the myths and moral struggles that define us as human beings. Part literary exploration, part personal manifesto, this book is a love letter to the stories that shaped us and a roadmap for anyone who believes that the world of wonder is still worth fighting for.

The Global ISBN Handbook Azhar ul Haque Sario, 2025-10-30 Have you ever wondered why that 13-digit number on the back of a book costs \$125 in the United States but is completely free in Canada and India? This book, The Global ISBN Handbook, is your 2025 guide to the International Standard Book Number. It explains everything about this global fingerprint for books. The ISBN is the most important cornerstone of the publishing industry. It started as a simple warehouse tool in the 1960s. Now it is a complex digital identifier used in over 200 countries. This handbook deconstructs the entire system. It uses 15 distinct national case studies to do this. You will learn how the old 10-digit system changed to the new 13-digit one. We break down the five parts of the ISBN: from the Bookland prefix to the final check digit. The book explores the global governance framework, starting with the International ISBN Agency. Then it dives deep into how different countries run their systems. You'll see the privatized, high-cost model in the United States, compared to Canada's free government-run system. We explore the industry-led models in Brazil and Germany. We look at government-run systems in Mexico and India. We even cover the unique case of China, where the ISBN is not a simple identifier but a state-controlled publication license. The book also examines the systems in the UK, France, Russia, Japan, Australia, South Africa, Nigeria, and Egypt. Many books and websites can tell you how to get an ISBN. This handbook is the only resource that explains why the process is so different everywhere you look. It moves beyond a simple 'how to' and provides a true global analysis. It directly compares the privatized-for-profit models in the US and UK against the free public-good systems in Canada and South Africa. You won't just learn the price; you will understand the cultural policies, market structures, and legal philosophies that shape that price. This book shows how the ISBN is a global mirror. It reveals how a simple number can be a commercial product in one nation, a tool of cultural policy in another, and an instrument of state control in a third. This comparative insight is the missing piece for any author, publisher, or researcher trying to navigate the complex international publishing market.

**Disclaimer:** This handbook is an independently produced resource for commentary and analysis. The author has no affiliation with the International ISBN Agency, R.R. Bowker Library and Archives, Canada, the National Press and Publication Administration, or any other national ISBN agency. This work is independently produced under the principle of nominative fair

Kathi S. Barton, 2022-04-13 Quincy watched the woman move through the crowd He couldn't put his finger on it but something just felt off She was too close to the man in front of her not to be with him When the man purposefully stepped out in front of an oncoming truck it was all Quincy could do to stop her from the same fate She was deaf Her scent was familiar but she wasn't his mate Grace was upset with Quincy but didn't know why She was thankful that he saved her sister but she felt pissy and needed to take it out on someone and he made a good target But when he didn't retaliate she regretted her actions It didn't take but a second for Quincy to figure out that Grace was his mate But would she be as happy about it as he was Only time would tell

**Ruby** Kathi S. Barton, 2015-02-20 Ruby Erickson was the best OR surgeon the small hospital had

Management had mandated that the doctors were to turn away any people for treatment that couldn't pay Under strict orders to follow the rules or else Ruby operated on the young woman anyway She'd never live long enough to survive the trip to County Josh Ewing was suffering from a bad breakup He had moved to the small town to get away from his cheating ex girlfriend and former best friend and partner His sister Bri was here and was all he had left in way of family When Bri comes up missing Josh is beside himself with worry He finds his sister in a small hospital listed as a Jane Doe in critical condition When he finds out that the doctor who saved her life had lost her job because she didn't turn his sister away he wants to do

all he can for her She cut Josh off with a finger punching to his chest You re damn right I saved her life And do you think that because you put money in my account or paid nearly a hundred grand to my loans that I m somehow going to be beholden to you You fucking bastard take it back All of it right now Josh shook his head and braced his arms over his chest as if to do battle Quentin took a step back now He wasn t stupid You heard me I want you to take back that money now or so help me you re going to need it for your own hospital bills Even if I could which I don t care if I can or not I won t do it You risked a great deal to save her life and I pay my debts Ruby growled and took another step toward Josh It took Quentin several seconds to realize that something had happened in that short period of time Ruby didn t have time for a mate not now not ever Josh wasn t happy about it either but discovered once he got past her stubborn surface that she really was a rare gem But trouble doesn t elude them for long That ex girlfriend of Josh s was into some heavy stuff things he didn t know about things that could get them all killed things that put them all on the radar of the wrong people *Houston* Kathi S.

Barton,2020-05-10 Trudy Justice was good at her job but that didn t mean she wasn t vulnerable Caught unaware by a fellow FBI agent the gunshot wound to Tru s gut nearly did her in To the world Tru was dead Rogan was hiding her out until they could figure out who had marked her to be a target Houston Robinson a tiger shifter was preparing to shift and take a much needed run when a strange woman s voice interrupted him before he could remove his pants to shift At first he was irritated but when he saw the blood he wanted to help Hurting bad and suspicious of everyone Tru was in no mood to listen to anyone especially a shapeshifter claiming to be her mate She didn t care how nice he pretended to be *Sapphire* Kathi S.

Barton,2013-10-01 Jeffery Benetton is the only other man that has ever shown an interest in Sapphire Erickson And Sapphire had nearly killed him to protect her family from the sadistic bastard She moves herself and her family into Blair Henson s territory to hide and protect her sisters from Jeffery They are all she has in this world Trust doesn t come easy to her and the wounds she received from Jeffery won t heal until she finds a new Alpha or a mate Neither option holds any appeal to her And the last thing she needs is another man ordering her around Blair Henson is the new Alpha in the territory He has enough on his plate running his successful business and doesn t have the time or desire for a mate When he meets Sapphire and recognizes her for who she is his mate the man wants to run in the opposite direction but his wolf he wants to dominate Blair tries to convince himself that he s chasing after Sapphire because he feels an overwhelming need to protect her and she just won t follow orders When he comes across as a complete jerk Sapphire really wants no part of him Of course leaving him isn t going to work she s his mate Now if only he can get his head out of his ass learn to treat Sapphire the way she should be treated maybe just maybe there is a chance for them that is unless Jeffery Benetton finds her first *Keith* Kathi S.

Barton,2015-01-30 Living a life of exile made for a lonely existence Banished from her realm for a crime she didn t commit that s the life that the king had condemned Harley Pennington to Sentenced to a life of solitude away from the people she served the people she loved With her departure she was given a warning that if she fell in love and took a mate that she

would be brought back and immediately put to death and her new mate along with her The Limo that Keith Golden was riding in was in a horrific accident rolling down an embankment He was trapped and felt his life slipping away until a vision of an angel clouded his view Harley saw the whole thing and the instant she found the were tiger trapped in the huge vehicle she knew he was her mate Her instincts told her to run taking a mate was a death sentence for them both but she couldn't let him die Now that Keith had found his mate he wasn't about to let her go Was it their destiny or a fool's journey Would love be enough to thwart a king's rule and make her stay Would a difference of opinion drive a wedge in the Golden family tearing them apart from each other forever Find out in the final installment of the Golden Streak Series Keith     *Richard* Kathi S.
