Jaffe,2022-05-24 When privileged parents say that they want what s best for their child they don t consciously add and not for other children Yet the practical effect of parents with privilege relentlessly pursuing their own child s interests is that other children are left behind Author Sarah W Jaffe interviewed dozens of parents who are resisting the cultural pressures to seek the best for only their kids while navigating some of the major decisions that parents make about childcare schools how they use their time and money and the legacy they hope to leave their kids These may not feel like political decisions but each either contributes to a system where only a few can thrive or takes a small step toward dismantling it Our children are watching and learning from how we make choices How we treat the people who care for them tells them how they should behave as a boss Where we send them to school teaches them about their place in the world How we spend our time and money sends them more powerful messages about how to spend theirs than any lecture about the importance of giving back or gratitude ever could What does it look like to fight for other people s children as if the future of your own child depended on it What choices would you make

*Breaking Ranks* Colin Diver,2022-04-12 Some colleges will do anything to improve their national ranking That can be bad for their students and for higher education Since U S News World Report first published a college ranking in 1983 the rankings industry has become a self appointed judge declaring winners and losers among

America's colleges and universities In this revealing account Colin Diver shows how popular rankings have induced college applicants to focus solely on pedigree and prestige while tempting educators to sacrifice academic integrity for short term competitive advantage By forcing colleges into standardized best college hierarchies he argues rankings have threatened the institutional diversity intellectual rigor and social mobility that is the genius of American higher education As a former university administrator who refused to play the game Diver leads his readers on an engaging journey through the mysteries of college rankings admissions financial aid spending policies and academic practices He explains how most dominant college rankings perpetuate views of higher education as a purely consumer good susceptible to unidimensional measures of brand value and prestige Many rankings he asserts also undermine the moral authority of higher education by encouraging various forms of distorted behavior misrepresentation and outright cheating by ranked institutions The recent Varsity Blues admissions scandal for example happened in part because affluent parents wanted to get their children into elite schools by any means necessary Explaining what is most useful and important in evaluating colleges Diver offers both college applicants and educators a guide to pursuing their highest academic goals freed from the siren song of the best college illusion Ultimately he reveals how to break ranks with a rankings industry that misleads its consumers undermines academic values and perpetuates social inequality America's best colleges editors of U.S. News & World Report, 2002 America's Best Colleges, 2008 **Rankings of Ohio Public and Academic Library Statistics**, 1971 *The Best 390 Colleges, 2025* The Princeton Review, Robert Franek, David Soto, Stephen Koch, Aaron Riccio, 2024-08-27 As seen on the TODAY Show on NBC NO ONE KNOWS COLLEGES LIKE THE PRINCETON REVIEW This comprehensive guide to the nation's best colleges provides in depth profiles on schools best of lists by interest and tons of helpful student driven details that will help you or your student choose their best fit colleges The Princeton Review's college rankings started in 1992 with surveys from 30 000 students Over 30 years and more than a million student surveys later we stand by our claim that there is no single best college only the best college for you and that this is the book that will help you find it STRAIGHT FROM STUDENTS TO YOU 390 in depth school profiles based on candid feedback from 160 000 students covering academics administration campus life and financial aid Insights on unique college character social scene and more Direct quotes from students about their school's professors campus culture career services and more RANKING LISTS RATING SCORES Lists of the top 25 colleges in 50 categories based on students' opinions of academics campus life facilities and much more Ratings for every school on Financial Aid Selectivity and Quality of Life DETAILED ADMISSIONS INFORMATION The Inside Word on competitive applications test scores tuition and average indebtedness Comprehensive information on selectivity freshman profiles and application deadlines at each school Plus Free access to 2 full length practice tests online 1 SAT and 1 ACT to help you prep for the important admissions exams part of your admissions journey **U. S. News and World Report Ultimate College Guide** U.S. News & World Report (Firm), 2007-10 In the simplest of terms leadership is about influencing people to achieve

an objective that is important to the leader the group and the organization It is the human element leading motivating and inspiring particularly during times of crisis chaos and complexity when directives policy statements and communiques have little effect on cold exhausted and stressed followers Strong leadership encourages subordinates to go beyond the obligation to obey and commit to the mission in a way that maximizes their potential The Military Leadership Handbook is a concise and complete manual that identifies describes and explains all those concepts components and ideas that deal with or directly relate to military leadership The book is a comprehensive compendium that focuses on among other subjects cohesion command cultural intelligence discipline fear and trust this applied manual provides invaluable assistance to anyone who wishes to acquire a better understanding of both the theory and application of military leadership     Ende V.
